

Garneau Chiropractic and Massage is a multidisciplinary clinic located right next to the UofA that offers Chiropractic, Massage Therapy, Acupuncture and Psychology. We would like to bring on another part time or full time massage therapist as soon as possible. The clinic offers flexible hours, a commission split of 65:35, a great work environment, and the amenities in the building (swimming pool, gym, theatre). We are looking for a therapist that is comfortable performing deep tissue massage, is certified or is planning on being certified in cupping, who is motivated, has good interpersonal skills and is reliable. The clinic sees more than 40 new patients a month so if you are a solid massage therapist you should have a busy schedule quickly. We look forward to hearing from you.
